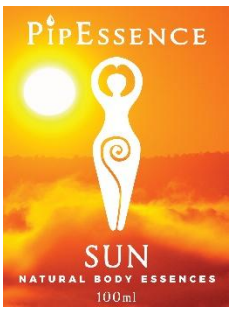
# Sun



The Sun Essence is a natural remedy for those who want their energy to Revive, Thrive and Shine. To stay powered up throughout your day this vibrant and energising Essence containing crystal vibrations from Libyan gold tektite, phenacite and ammonite is specifically helpful in boosting confidence, purifying your natural energy field and embracing your unique and individual drive.

## Suggestions for Use:

Use at the beginning of each day
To assist with inner and outer personal development
To use when energy levels are low
Use as an environment enhancer for example in a lounge or on a desk or a meditation space

## How to Use:

Gently tap the underneath of your Sun Essence three times to connect your personal vibration with the water droplets and take a moment to think about how you want the droplets to help you.

When ready, spritz the sun from shoulder to shoulder in an arc shape, taking a deep breath inwards as you sense the droplets reaching you. You may wish to sweep the droplets further downwards over your body.
