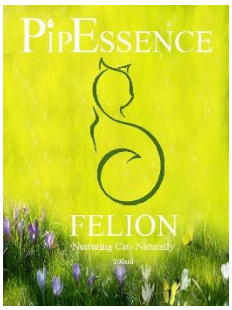
FeLion



This natural essence is about tapping into the wisdom of the animal kingdom, especially that of the cat family. When we connect in this shamanic way this in turn can create states of being calm, in balance, being resourceful and trusting on a deeper level. These nature connections can bring through subtle levels of awareness and sovereignty. Created on a powerful window of time known as the Lion's Gate (which peaks on the eighth day of the eighth month – 8 meaning 'infinity'). This astrological presence aligns with the heart centre and embodies the Leo traits of expression, strength and courage.

With further layers of supporting and loving vibrations from the crystal energies, flower infusions, and Cat purring sound and vibrations (from our Buddha cat called 'Wow'), and the 639Hz (for cellular communication and harmonious relationships), finished in the herby scented overtone of Nepeta Catania essential oil.

Suggestions for Use:

For use during: Shamanic practices, animal relationships, meditation, relaxation, Lion's Gateway (approx. 2 weeks)
Use as an environment enhancer for example in your cat's environment (please spray before they arrive as many are sensitive to water and noise)
Use before going for a walk-in nature, for connecting with the trees, plants, sky, flowers, birds and animals and Earth healing practices.

How to Use:

Gently tap the bottle three times and take a moment to connect with how you want the essence to assist. Once actioned, spray the area using your intuition up to 8 sprays at one time. If using on self, inhale as you feel the droplets pass your nose. As an alternative, spray over your heart centre making an infinity sign (Figure of 8 on its side)
