All facing East to greet the New Moon, in a triangle formation with the morning sun, and Venus. This is finished with the summer perfume from the delicate honeysuckle flower. These sacred droplets can assist you with embodiment of the new platinum and diamond white Light codes or can assist in creating clearings by supporting your astral body, so that it is easier to connect with your Soul. Alternatively, these droplets can be tapped into for bringing through your ancient/ future wisdom or discover new ways of being, whilst finding it easier on Earth (Star Seeds) with purpose.

Suggestions for Use:

For use during personal development: shamanic practices, past life recall, meditation, lucid dreaming, visualisation or intuitive work.

Use as an environment spray for example being by the sea or use over personal alter space.
Use before going for a walk-in nature, for connecting with plant devas and the animal and mineral kingdom and for earth healing practices.

How to Use:

Gently tap underneath the Lemurian Light bottle 3 times and place one of your hands on your heart and intend how you want the droplets to assist you. (for example) ‘for fuelling the Light body’. Let your intuition guide you with how to spray these sacred droplets. It is recommended to sweep the droplets around the whole of your body, front and back, lifting each foot, so that a whole new circuit of energy can be created. Please inhale deeply when you feel the droplets pass your face, so that the energies can reach the inside of you too.
