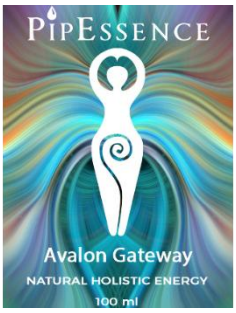
Avalon Gateway



A foundation of Four, to connect with the many mystical aspects that are linked with the beautiful Earth's Heart Chakra. The water memory links in with the Red Spring at Chalice Well, Bride's Mound close to the Levels, The Wessex Astrum where Avalon is part of the sacred geometry of the landscape (known as part of the Blade) and finally, the White spring whose source like the Red is from one of the caverns underneath the Tor. These sacred waters were combined on a portal 4.4.4 day. Further energy signatures from Rose and Tibetan Gold Quartz (Love and Colour ray) and the uplifting and opening tone of 444Hertz were added underneath a sun filled illuminating sky, where the land meets the sea.

These sacred droplets can assist you with alchemy, healing, and pilgrimage quests of Avalon. Other Spiritual aspects that could be tapped into includes: Merlin & King Arthur, Divination, the Ley Lines (Dragons), The Goddess, The Fae, Lady of Avalon, The Otherworld, Joseph of Arimathea & the Holy Grail to name a few. This in turn can open to the transcendent visions and dreams of the heart. This potent and expanding blend directly connects with the Energy fields, from the upper Crown Chakras through to the tips of the toes, settling into the Spiritual Heart.
